3. CNY Used Red Packets Recycling Initiative

The tradition of giving and receiving red packets (hongbao) during Lunar New Year is cherished by many of us. However, we also recognize the environmental impact of discarding these red packets after use. In partnership with Geneco, we will be placing a special collection bin just outside the General Office for the purpose of recycling the used and excess red packets. Starting from Friday, 31 January, until Friday, 28 February, students are encouraged to deposit their used or excess red packets into this bin. To facilitate the recycling process, we kindly request that students empty the contents of the red packets before placing them in the bin. We thank you for your support in encouraging your child/ward to participate in this meaningful activity in alignment with our school direction Get Green & Love Earth.

5. Consent for the Use of Photographs and Videos

The school usually takes photographs and videos of students engaging in activities especially during special school events and celebrations. These are then archived in the school's repository. Sometimes, the photographs and videos may be used in school publications such as newsletters, school website and publicity materials.

We would like to seek your consent for the use of these photographs and videos should the need arise. No further action is required if you consent to the use of photographs and videos of your child/ward. Otherwise, please email the school (rgps@moe.edu.sg) your child's/ward's name and class to indicate your non-consent by **22 January 2025**.

6. Family Values Card Game (From Families for Life)

We would like to encourage parents/guardian to spend time with your child/ward to foster stronger family ties through a fun card game developed by Families for Life.

The Family Race promotes the four family values of Love, Care and Concern, Commitment and Respect through conversation starters that you can engage your child in.

The instructional video on how to play the game can be accessed via the link below and can also found at the back of the card game box. <https://go.gov.sg/thefamilyraceinstructionvideo> (How to play *The Family Race*)

We would also like to invite you to take photos and/or videos of your family bonding over the family values card game to share on Families for Life's Facebook (<https://www.facebook.com/familiesforlife.sg>) and Instagram (<https://www.instagram.com/familiesforlife/>) page. Parents are also welcome to provide feedback by writing in to Families for Life's email at: ask-familiesforlife@msf.gov.sg

7. Information on Access to Student Learning Space

At Raffles Girls' Primary School, we believe in helping every student find joy in learning and using technology to empower our students to learn better.

HOW SLS SUPPORTS STUDENTS' LEARNING

As part of Ministry of Education's (MOE) commitment to nurture future-ready learners, an online learning platform known as the Singapore Student Learning Space (SLS) is made available to the students.

The SLS is an online platform with tools and curriculum-aligned resources for all students to learn at their own pace and collaboratively. With the SLS, students can take greater ownership of their learning and pick up skills and habits that prepare them for lifelong learning. Teachers will also use the SLS to complement classroom teaching and learning.

The SLS is collectively shaped by teachers and students. Taking into consideration their ideas and feedback on the resources and tools, the system is developed iteratively to stay dynamic and responsive.

ACCESS TO STUDENT LEARNING SPACE

The SLS can be accessed from <https://vle.learning.moe.edu.sg/>. A hardcopy of the username and the password will be given to your child/ward separately through their form teachers. We would like to seek your assistance to guide your child/ward for the first login. The instruction on login and the frequently asked questions have been attached as an annex for your reference.

During the account activation, we strongly recommend that you provide your email address to facilitate the quick resetting of your child's/ward's password should she forget it. (Please see para 5 in Annex A.)

For technical assistance, you may contact:

- a) School-based Helpdesk at sim_kai_lin_carinn@moe.edu.sg or 6469 9513
- b) SLS Helpdesk at helpdesk@sls.ufinity.com or 6702 6513

We look forward to your support. Let us work together to support your child's/ward's learning
